#### Road work 2014

The township will gravel 229<sup>th</sup> 2miles,219<sup>th</sup> north of county 36 1 mile,500<sup>th</sup> 1 mile west of of county 98

Additional road work for 2014 will be determined on the townships annual road tour as soon as the snow melts and or by resident complaints or concerns.

We also will have a inspection on weeds in the township by Greg Hansel from Hubbard county sometime in July to see what needs to be sprayed in are township ditches.
