Special Meeting Kingdom Builders School

4/12/2022 @ 7:00

Pledge of allegiance

Review progress regarding Kingdom builders, and Helga Board with status of contract for Nary School to be rented for the 2022 / 2023 school year. - With the report we received the 2020 code will be E classification for the fire code. We would have to keep the student #'s under 100. State statute 326B state oversees Charter and Public schools, not Private Schools. We need clarification for the fire code. Ryan Reyn State of MN board on Industry point of contact. Panic Hardware for the front door \$1100.00. Service sink and Janitors closet is going to be a sticking point. \$300.00 for ADA signage. Still need quotes on asbestos carpet cover up, Drinking fountain options, Janitor closet.

The Nary School is listed on the National Register and makes us eligible for Legacy Grants. If changes are made to the structure change the structure from the original structure will remove us from the national register.

Review terms – Need clarification for the fire report, and bathrooms before anything further can be decided.

Make resolution, set date for future vote on resolution. - Pick up again April 26th

Donald Clay Motions Kip and Joanna head up clarification for Fire and bathrooms. Seconded by Harrison Hicks. Motion carries unanimous consent.

Don Clay motions we adjourn seconded by Harrison Hicks. Meeting adjourned.
